126.17.C Community LED Planning

Cllr Claire Crackett reported the analysis of the results of the completed
 questionnaires which had been circulated to Cllrs prior to the meeting.

After discussion Cllr Claire Crackett agreed to complete a draft summary of
 these results using tables and pie charts into four A4 pages for comments and
 approval at the January parish council meeting.

Cllr Claire
 Crackett

Results for the Village Hall and St Andrews Church would not be included but
 passed on to these organizations.

127.17.C Local Plan/Place Plan Review

After discussion and analyzing the results from the Community LED Planning
 questionnaire it was agreed that there was not enough evidence to support any
 additional housing in the parish compared to our previous submission.

Cllrs considered the Local Plan/Place Plan Review consultation. The evidence
 from the community consultation did not give sufficient evidence to put in a
 submission to become a community cluster and so Cllrs were content to
 remain as open countryside in the Shropshire Plan.
