A copy of the presentation will be circulated to all members.

'It was so very kind of you to send me such a wonderfully generous message following the death of my beloved mother. Your most thoughtful words are enormously comforting, and I cannot tell you how deeply they are appreciated at this time of immense sorrow' Charles R

The card will be scanned and included on the website.

A draft budget had been circulated for Members to peruse. There was an opportunity to discuss all budget headings and consider future projects, especially those where earmarked reserves are already available.

Members are very aware of the current situation, which is of great concern to some local residents and were clear that they did not wish to increase the precept significantly in order to offer some support to them. However, some Parish Council costs will increase which is out of the control of the Council. After a lengthy discussion, it was proposed by Councillor Dee and seconded by Councillor Yeadon, all were in favour and thus it was

RESOLVED that a precept of £11,563 be collected on our behalf by Shropshire Council.

This would result in an increase, for a Band D Council Tax Property of less than £2 per year. A revised budget will be circulated and will be added to the website.
