## WHAT'S HAPPENING

### Stanton Village Hall Annual General Meeting

The Village Hall AGM will be held at the hall on Thursday 24th April 2025, commencing at 7.00 pm.

Everyone is welcome to come and hear how the year has gone and the plans we have for the next 12 months. There will be free wine and cheese available.

Also, if you would like to help support the village hall by joining the committee then please come along and have a chat with us - we usually have a meeting every couple of months, which lasts no longer than an hour and a half, and we try to plan two social events during the year. We need committee members and also a Bookings Officer to handle private bookings - we don't get many and it's all done by email.

Without a committee the village hall can't function, and if that happens it could be lost for good.

Hope to see you there!

### Night Flying—RAF Shawbury

RAF Shawbury will be conducting night flying throughout April, during Monday to Thursday.

### St Andrews Church - Appeal

Dear Neighbour

We are St Andrew's Church Stanton PCC (the church trustees), Ros Anwyl, Jo Humphreys, Claire Crackett, Vanessa Shuker, Ralph Prince and Beverley Orme. We look after everything to do with the beautiful church in our village which has been here since Saxon times and is recorded in the Doomsday Book. We have a combined age of almost 450 years and are, quite frankly, struggling, PLEASE read on...

To clear up what appears to be a common misconception amongst our community, St Andrews Church receives NO MONEY AT ALL from The Church of England. In fact we have to pay around £500 every month to support the national church. Additionally our monthly running costs are:

- Electricity £63
- Insurance £151
- Oil £80

Although we are well supported at Carol Services, Christingle and Remembrance the weekly congregation is around 10 and so the upkeep is quite a responsibility for those few. The stark truth is that if we do not get help, the church and churchyard will have to close. What a terrible thing that would be after almost 1000 years.

You don't have to be religious, or even spiritual to help, but just have an interest in preserving a beautiful historic building for future generations.

You can help by giving us a little of your time occasionally to clean and maintain the fabric of the church and tidy the church yard. We simply cannot do it all without help any longer.

More importantly you can help by donating regularly with a Standing Order to the Parochial Church Council of Stanton on Hine Heath, Sort Code 20 77 85, Account No: 40693022. Any amount you can spare will make a difference and if you are a UK taxpayer we can arrange Gift Aid at no additional cost to you but will bring in an extra 25%.

Thank you.

*Vanessa*

## NEWS FROM THE VILLAGE HALL

### Neighbourhood Natter

The next Neighbourhood Natter is on Thursday 3rd April between 10.30 am and midday in the village hall. Coffee, tea, hot chocolate and biscuits for just £1 per person. This is a really friendly get-together, so if you haven't been before why not come along and join us.

### STANTON VILLAGE HALL ANNUAL GENERAL MEETING

The Village Hall AGM will be held at the hall on Thursday 24th April 2025, commencing at 7.00 pm. See front page for more details.

### A Plea

Could you help keep Stanton Village Hall going? The AGM will see the remaining committee members stepping down after more than 6 years service. Could you help form a new committee? Committee meetings are usually held every couple of months, in the evening and rarely last more than an hour. The hall is available for private hire, and we have also been organising a couple of social events a year - a quiz, a Christmas Fair - but we could do more (or fewer). I hope to see you there!

**Did You Know.....**that 100 years ago in April 1925 Great Britain and Netherlands return to gold standard. First full length feature film shown on an airplane, The Lost World, on an Imperial Airways flight. First transmission of Danish state radio. World's Fair opens in Chicago. Noël Coward's controversial comedy play "Fallen Angels" premieres in London, after initially being refused a license due to the loose morals of the female characters. Highest temperature ever recorded in Cleveland USA, 88°F. Paul von Hindenburg is elected the President of Germany.

**Two Step Verification (2SV)**

The issue of account takeover has emerged as a serious and high-volume threat. It is particularly recognised as an issue across social media platforms and is the most common cyber dependant crime type reported to Action Fraud.

**What is 2SV?**

Two Step verification (2SV) is also known as 2 factor authentication (2FA) or multi-factor authentication (MFA). provides a way of 'double checking' that you really are the person you are claiming to be when you're using online services, such as banking, email or social media. It is available on most of the major online services. Passwords can be stolen by cyber criminals, potentially giving them access to your online accounts. However, accounts that have been set up to use 2SV will require an extra check, so even if a criminal knows your password, they won't be able to access your accounts.

**How to turn on 2SV?**

Some online services such as banking will already have 2SV switched on. However most don't, so you will need to switch it on yourself to give extra protection to your other online accounts, the option to switch on 2SV is usually found in the security settings of your account (where it may also be called 'two-factor authentication').

When 2SV is switched on, you'll be asked to provide a 'second step' in order to access your account. There are several types of second steps available: such as text messages, authenticator apps, backup codes.

**How can I help?**

You can help by educating yourselves and your communities about the critical role of two step verification (2SV) in safeguarding accounts. We would like to see 2SV offered on all services which might hold your personal data, spend your money, or play another important role in your life. While many major services do offer it, there are still some that do not. If 2SV is not available on one of your important accounts, like email, you should ensure that it has a strong unique password. You may even want to consider changing services to one that does offer 2-step verification.

**I've been hacked – what can I do?**

Report the matter to Action Fraud, detailing as much information as possible. If you have a victim who has had an account hacked, please consider reporting the incident to Action Fraud on their behalf.
