Single Online Home- Rural, Wild- life and Heritage Crime Service now live

You can now report directly to the police, Rural, Wild-life, and Heritage Crimes online via www.westmercia.police.uk. On the website select 'Report' and then 'see all reporting services'. This online option doesn't replace telephony, victims can still call 999 or 101, but it offers an alternative for those who prefer to report online and avoid call queues.

Some examples of what can be reported via this service are: Theft of farming or agricultural equipment or fuel, damage to agricultural property, Tack theft, Theft of lead from churches, Damage to ancient monuments, Illegal metal detecting, Livestock worrying, Poaching, Coursing Offences against badgers, birds and bats etc.

Any items for future issues please contact John Galloway by the 15th of the month on: stantonvillage@gmail.com

Did You Know.....that 100 years ago in December 1925- Clough Williams-Ellis begins construction of Portmeirion in North Wales. Construction of the Queensway Tunnel beneath the River Mersey begins. Locarno Treaties signed in London, the UK is a joint guarantor of the boundaries of Belgium, France and Germany. A settlement on the boundary question between the Irish Free State and Northern Ireland is presented. The Communist Party of India is founded. Irish playwright George Bernard Shaw awarded the Nobel Prize for Literature. Soviet Union & Turkey sign non-aggression pact.

Cold Mornings

Although vehicle crime is low across West Mercia, every winter the force receives a number of reports from drivers who have had their cars stolen after leaving the engine running, while they wait in the warmth of their home for it to heat up and defrost the windscreen.

Some vehicle owners nip inside for just a few seconds to collect a bag or finish the last mouthful of their breakfast coffee - but that's all the time an opportunist thief needs. To 'freeze out' the thieves, West Mercia Police advises motorists to:

- Clear windscreens with de-icer and a scraper
- Sit in vehicles while the heater de-mists the windscreen

Drivers who ignore this advice are taking big risks. Thieves will drive around residential areas looking for likely targets - when they spot a vehicle with its engine left running on a drive or outside a home, it's there for the taking.

One person will be dropped off, gets into the target vehicle and simply drives away.

Many of the vehicles are never recovered, and some - especially high value models such as Mercedes, BMW and Audi - may be shipped overseas.

It is also worth remembering if your car is stolen when keys have been left in it, you may find your insurance will not cover you. If your house keys are stolen along with your car, your home is then vulnerable too.

So, this winter, don't give criminals an easy ride by leaving your car running unattended.
