10 am to 1 pm  
Tables £8 Contact 07508851858  
to book

### RAF Shawbury Night Flying

Night flying will take place every Monday to Thursday until the end of February.

### Community Planters

The Parish Council is considering adding some community planters to the Village Green area in Stanton. What are your thoughts on this? We will include herbs such as rosemary, parsley and mint – would you use them and also, would you like to be involved in planting and maintaining them?

Thank you

*Katrina*

**NEWS FROM THE PARISH COUNCIL**

For a current list of councillors please see page [5](#).

Please refer to the Parish Council website for details of Parish Council Meetings and Information: [www.stantonparishcouncil.org.uk](http://www.stantonparishcouncil.org.uk)

**Website**

Please take a look at the Parish Council website, there are details available on the work of your council, your local councillors and other useful information. Please contact the Parish Council via the Clerk on any local matter – we might be able to help, if not, we can assist in finding the right person to deal with your query.

**MOBILE LIBRARY**

0915–0945hrs  
 1st & 15th January

01743 255024

**Did You Know.....**that 100 years ago in February 1924—First winter Olympics held at Chamonix , France. Ramsay MacDonald's incoming Labour government formally recognizes the Soviet Union. Mahatma Gandhi is released from jail,. The trial begins against Adolf Hitler for treason in "Beer Hall Putsch" in Munich. The US begins intervention in Honduras. Greek parliament proclaims republic. Benito Mussolini's Italian government exchanges diplomats with USSR.

**NEW YEAR RESOLUTIONS**

It's the start of the New Year and no doubt the criminals will be planning their next moves to defraud any unsuspecting members of the public.

So what better time to make a new resolution to examine how we defend ourselves from Fraudsters, strengthen our protection and do all we can to avoid being a victim of the scammers.

*What can we do?*

**3 SIMPLE STEPS TO PROTECT**

Use strong and separate passwords for each of your online accounts. 3 Random Words with at least 8 characters and a combination of upper and lower case, numbers and symbols.

2. 2 Step Verification (2SV) – Also known as 2 Factor Authentication (2FA) for your online accounts adds an extra layer of security by requiring a code or PIN to confirm your identity when you log in.

3. Take time to stop and think before continuing a phone call or clicking on a link from an unknown source. Never be pressurised into making a quick decision. Always check the email address before opening emails claiming to be from bona fide organisations such as your Bank, Government organisations or other businesses.

**OTHER SIMPLE WAYS TO PROTECT YOURSELF**

1. Install the latest Software and App updates on your devices as these often contain security patches to protect you from hackers.

Cont...

2. Back up your data regularly, by storing your important files in a separate location such as an external hard drive or on the Cloud. This way all is not lost if you experience a ransomware attack, device loss or damage.

3. Be careful when using public Wi-Fi networks as they are often unsecured and can expose your activities to others. Using a Virtual Private Network – VPN – can protect your privacy.

4. Protect your personal information online, and do not share too much information about yourself on social media, online forums and other similar platforms. This is how you could become a target for scammers and identity thieves. Check your privacy settings on Social Media to make sure only your real friends see your posts.

5. Beware of your Digital Footprint – every time you go online you leave a digital "footprint" which can show where you are and what you are doing. Once you post a file or photo online it may stay there forever and be used by others, so do not share anything that may cause you problems or embarrassment in the future.

6. Educate yourself and your family about online safety by learning how to spot online common online scams and how to avoid them and use the internet responsibly and respectfully to protect you and your family.
