## WHAT'S HAPPENING

### RAF Shawbury Hosting Chinook Helicopters

RAF Shawbury is expecting to host a number of Chinook helicopters in the first half of March, therefore, expect to see some different helicopters operating over Shropshire at different times for this period.

### Thanks for Table Top Sale Support

Thank you to everyone - stallholders and customers alike - who came to support the village hall table-top sale and coffee and cake morning today. We hope you had fun, picked up some bargains and enjoyed the wonderful cakes.

A special thank you to those committee members who helped out yesterday and today - couldn't do it without you!

**Scammers Peddling Dodgy Spray Foam Loft Insulation**

As households continue to face high energy bills, scammers are targeting vulnerable people with dodgy, non-existent insulation and costly offers. For example, one elderly victim paid more than £3,000 for dodgy spray foam insulation, which he later had to pay over £2,000 to remove before he could sell his house. Spray Foam insulation has several disadvantages, including high cost and safety concerns, and it could even reduce your property's value.

**Website**

Please take a look at the Parish Council website, there are details available on the work of your council, your local councillors and other useful information. Please contact the Parish Council via the Clerk on any local matter – we might be able to help, if not, we can assist in finding the right person to deal with your query.

**Did You Know.....**that 100 years ago in March 1924—Croydon Airport Imperial Airways established and London public transport strike ends. Netherlands & USSR begin talks over USSR recognition, Canada recognizes USSR. Sweden & USSR exchange diplomats. Greece becomes a republic and Greek parliament selects admiral Paul Koundouriotis as premier. Bernard Shaw's play "Saint Joan" opens in London. New French government of Poincaré begins. 83rd Grand National, Bob Trudgill wins aboard 25/1 shot Master Robert; last GN from a general riding start, now-familiar 'tape' introduced the following year.

## Burglary crime prevention advice

With darker nights still upon us, we are sharing some simple ways to protect your home.

Popping out of the house? Close and lock all your doors and windows, even if you're only going out for a few minutes! Double-lock any door. Make sure that any valuables are out of sight – this includes leaving packaging from outside of your house. Keep handbags away from the letterbox or cat flap and hide all keys including car keys, as a thief could hook keys or valuables through even a small opening. Never leave car documents or ID in obvious places such as kitchens or hallways. In the evening, shut the curtains and leave lights on. If you're out all day, then it's advisable to use a timer device to automatically turn lights and a radio on at night. Set your burglar alarm. Make sure the side gate is locked. Lock your shed or garage. Lock your bike inside a secure shed or garage, to a robust fitting bolted to the ground or wall, like a ground anchor.

### Going away?

If you're off on holiday and wish to post anything on social media, make sure your posts aren't public and that they're only seen by your friends – you don't want potential burglars to know your house will be unattended! Leave lights and a radio on a timer to make your house appears occupied. Ask a trusted neighbour to keep an eye on your property, or you could join a Neighbourhood Watch Scheme to keep in touch with those in your street. Consider asking your neighbours to close curtains after dark. If your driveway will be empty – you could also ask a neighbour to park on there to deter burglars from breaking in. Remember to cancel newspaper and milk deliveries – you don't want these piling up on your doorstep!
