WHAT'S HAPPENING

Wrekin Local Nature Recovery Strategy (LNRS)

Views sought on Shropshire and Telford & Wrekin Local Nature Recovery Strategy (LNRS)

Farmers, landowners, and local communities in Shropshire and Telford & Wrekin are invited to offer their perspectives and share their views on the region's natural environment to assist in shaping and preserving its features for future generations.

The two surveys, one for farmers and land managers and the other for the general public, will help inform the Local Nature Recovery Strategy (LNRS).

Shropshire and Telford & Wrekin LNRS is one of 48 strategies being developed in England that aims to map, plan and deliver nature recovery across the region. It will identify the most important areas for wildlife and habitats, and set out how they can be restored and connected. The LNRS will also help to deliver national and local targets for biodiversity, climate change and public health.

How to get involved

There are two ways you can share your views on the LNRS. Complete an online survey that is relevant to you. There are two surveys available, one for landowners and land managers and one for the general public. The surveys will ask you about your current activities and interests in nature, your priorities and preferences for nature recovery, and your suggestions for actions and opportunities.

Neighbourhood Natter in September

The next Neighbourhood Natter is on Thursday 5th September between 10.30 am and midday in the village hall. Coffee, tea, hot chocolate and biscuits for just £1 per person. This is a really friendly get-together, so if you haven't been before why not come along and join us.

New Treasurer

From April next year, the village hall committee will be in need of a new Treasurer. Could that be you? The accounts are very straightforward; a knowledge of Excel spreadsheets would be useful. We usually hold a committee meeting every couple of months.

If you would like to help please call me on 07508851858, or email lyn.2035@btinternet.com

Phishing Emails

Action Fraud Is Urging The Public to Keep On Reporting Phishing Emails. Over 32 million phishing emails have been reported to the Suspicious Email Reporting Service and more than a third of those were reported in the last year. Reporting of phishing emails has reached an all time high with a 44% increase year on year. From that 329,000 website addresses have been removed by the National Cyber Security Centre and Action Fraud are urging the public to keep on reporting suspicious emails and texts.

What is Phishing?

This is when criminals use scam emails, texts, QR codes or even phone calls to trick victims into revealing personal and financial details. How can you protect yourself?

If in doubt about any message received contact the genuine organisation via the details on their website or relevant paperwork, but avoid clicking on links or using the contact details in the message

If an email does not feel right, then forward it to report@phishing.gov.uk even if you are not all that certain if it is a scam

Always report suspicious text messages free of charge to 7726 then the provider can find out where it came from and block the sender

You can also report scam phone calls by texting 7726 with the word "Call" followed by the Scammer's phone number

Cont...

If you have lost money, or given away financial information, after a scam, tell your bank straightaway and report it to Action Fraud

Take Five to Stop Fraud

STOP: Taking a moment to stop and think before parting with your money or information could keep you safe.

CHALLENGE: Could it be fake? It's OK to reject, refuse or ignore any requests. Only criminals will try to rush or panic you.

PROTECT: Contact your bank immediately if you think you've fallen for a scam and report it to Action Fraud

ALWAYS REMEMBER:

- Avoid disclosing security details
- Emails, Phone Calls and Texts may not be authentic
- Always make direct contact with any organisation by using a genuine phone number
- Stop and Challenge any unexpected requests
- Protect others by reporting Fraud and Scams
